Eulogy

Gene Hypolite Greaux was born on St. Thomas on June 2, 1913 to Alice and Vitalis Greaux.

Gene Hypolite attended the Catholic School, and served as a alter boy at St. Anne's Chapel in Frenchtown.

On January 12, 1935, he married the late Louise Greaux. Over the years they had 18 children, of which 5 are deceased.

Gene Hypolite served in the Merchant Marines, worked at Trepuck, Yacht haven Hotel and the Virgin Isle Hotel, where he retired in 1975.

He was also a Fisherman.

Gene Hypolite departed this life suddenly on April 9, 1995, from the result of a cardiac arrest. He will be dearly remembered for the quiet life he lived. PaPa we will miss you.

May He Rest in Peace
