Eulogy

Philippe, as he was known by most, was one of six children born to Joseph and Marie Eulalie Greaux on December 10, 1924 in St. Barths.

As a young man, due to the hardships in St. Barths as with many other families Philippe began sailing from island to island aboard cargo vessels transporting livestock and produce. These vessels included the Ruby, Ipana and Titinese.

On February 10, 1955 Philippe married Marie Therese Aubin, also of St. Barths. Their union bore three children: Vincent, Germain and Luciane.

For several years, when the children were young, Philippe worked in construction for the Rockefellers. When he wasn't at work he could be found on the ocean, sailing or fishing as that is what he loved doing the most.

During the 1950's Philippe made several trips to St. Thomas and decided to permanently settle here in 1960.

Until 1974 he was a groundskeeper for a foreign family who lived on St. Thomas. In 1974 Philippe began his employment at what we all know now as the Windward Passage Hotel. Philippe was very dedicated to his job and was named employee of the month several times. He remained there until his retirement in May, 1996.

Philippe lead a very active life. He was regularly seen all over town, especially on the waterfront by many. He always seemed to have places to go and things to do.

Philippe will always be remembered for his generous heart mainly toward his children, and love of nature, especially the ocean. His grandchildren always seemed to bring out the best in him.

We will cherish his memory in our hearts forever.
